

Name _____

Date _____

Mad Libs Worksheet

The First Day of School

One beautiful summer morning _____ (friend's name) woke me up at _____ (a time in the morning). It was just near the end of the summer and I was trying to catch up on my _____ (funny name for sleep).

_____ (same friend's name) said "Wake up _____ (type of meat product)! It's the first day of school! Let's get going because my new teacher _____ (female teacher's name) is really a _____ (mythical creature). I can't wait to throw _____ (type of food) at her. I hear she can't resist _____ (-ing verb) it with her teeth!"

I moaned and groaned for _____ (amount of time), but eventually, I woke and started getting dressed. I wore a _____ (color pattern) _____ (type of clothes) with a very long _____ (noun) attached to it.

My shoes rocked hard! They were covered in _____ (type of sauce) from the night before. I flipped over the shoe and yelled " _____!")an exclamation phrase!" I grabbed a _____ (something to eat with) and had breakfast off of my shoes!

_____ (number) hours later, the bus came, and in a few minutes I was already at school. In school, I met two really _____ (adjective) kids. All of us became friends very fast. That day we had science, and luckily my friends and I were at the same _____ (noun) . My friends' names are _____ (proper noun) and _____ (proper noun). At math, we weren't together, and that really bugged me.

We learned what _____ (plural noun) were, and when to use them. At snack and recess, we played 'Three - Square' together. It was extremely fun. At P.E., we were _____ ("ing" verb) off of the ropes onto _____ (plural noun). I thought it was a very _____ (adjective) idea. In swimming class, we needed to swim extremely _____ (adverb), or else...we would get tortured.

An hour went by and I gathered all my stuff and threw it in my back pack. The bus came screeching into the parking lot. Just before I got onto the bus, like a bull horn; I shouted, "Goodbye, adios amigos, sayonara, and shalom," to my friends. In a flash the bus raced us home and the day had concluded! What a great day!
