Terry and First Aid

Directions: Read the paragraph and answer the questions.

Terry was going outside to play with her best friend. On her way out the door she tripped and scraped her knee. There was blood all over. Terry panicked she hated the sight of blood. Luckily Terry's mom heard her wails and came running. Terry's mom knew exactly what to do to fix the situation. She got a wet wash cloth, a Band-Aid and two ice cream sandwiches. Soon Terry was on her way with a smile on her face.

Answer the question using the information from the paragraph. Give evidence if needed.

1. Where was Terry going? What stopped her from getting there?

2. Was the cut on Terry's knee serious? Find proof in the paragraph to support your answer.
