## Adverb Types

There are several different types of questions that adverbs answer. Adverbs which answer the question "How?" are known as adverbs of manner, adverbs that answer the question "Where?" are known as adverbs of place, adverbs that answer the question "How often?" are known as adverbs of frequency, adverbs that answer the question "When?" are known as adverbs of time, and finally adverbs that answer the question "Why?" are known as adverbs of purpose. In the following sentences, the adverb is **underlined and bold**. Write what type of adverb it is in the blank provided.
