Do Now Math Worksheet Grade 8 Intermediate Version 8

1. Michelle has a hat filled with color balls. The hat has 4 green balls, 3 red balls, and 8 yellow balls.

A) What is the chance Michelle will pick a green ball?

B) What is the chance that she will pick 2 consecutive red balls?

Evaluate the expression when:

$$a = -2.3 \quad b = 19.2$$

A) $a^2 \times 4 + 3b$

B) $9b^2 + 8a$

C) $(8 - 12a) / -b$

D) $6a^3 - (4 \times b)$
